3. NEW BUSINESS

- a. Group Discussion – Tentative quarterly rotating meeting schedule for August 2023 – July 2024 (minimum of 4 meetings)

Region 5 Leader Kara DeArrastia asked if anyone is interested in hosting or co-hosting the next Region 5 meeting in either November or December this year, to please let her know following this meeting or send her an email and she will provide them with information on the meeting host duties. Additional meetings in 2024 can be held in February or March, or May or June. She is trying to get a good rotation of communities across the region, mentioning that Queen Creek and Apache Junction, Paradise Valley and Phoenix, and Cave Creek and Carefree, would be good candidates to co-host a regional meeting if they were interested. She suggested any of the special districts represented in Region 5 could host a meeting as well. Kara asked that the region members review their calendars and let her know if they are interested.

- b. AMCA Mentoring Program

Region 5 Leader Kara DeArrastia said she would like the region members to think about their experiences participating in the AMCA Mentoring Program, and consider their responses to the following questions: What does mentoring mean to you? How have you benefited from mentoring, or being mentored? Do you have any suggested changes to the structure of the AMCA Mentoring Program? Do you have any ideas for advertising the Program to the membership? Because she wanted the Chandler City Clerk staff to have enough time to present the next two items under the New Business section on the Agenda, Kara noted she would return to the AMCA Mentoring Program discussion item if there was time remaining in this meeting. If not, she can table it to the next Region 5 meeting.

- c. IIMC Grants and Scholarships – October 3

Region 5 Co-Leader Jennifer Ekblad shared information regarding IIMC Grants and Scholarships. She noted that the money can be used to obtain training and attend conferences. Jennifer highlighted the different grants and scholarships that members can apply for. Jennifer asked if there were any questions or comments regarding grants and scholarships.

Jessica Sweet, City of Chandler, responded regarding the required form was a DS-11 and that they were available online and in the Chandler City Clerk's Office.

Yvette McKinney, City of Apache Junction, asked about rescheduling customers when they do not have all the required documents.

Jennifer Ekblad, City of Chandler, responded that Chandler tries to reschedule customers on the same day depending on the volume and noted the appointment system allows for easier rescheduling since the volume of applications and appointments can be easily managed. Additionally, Jennifer noted that Chandler does accept walk-ins, but they are added to a waitlist and appointments are given priority. Jennifer emphasized the importance of customer service and accommodating customers.

Region 5 Leader Kara DeArrastia asked if the passport video from the PowerPoint presentation is available on the website.
