

## **Proposed Constitutional Amendments Survey**

**Please respond by Friday, April 15<sup>th</sup>**

Several months ago, the Handbook and Constitution Committee sent out a survey to solicit feedback on whether the Executive Board should be re-structured, primarily because the Treasurer duties have largely been absorbed by League staff, and the difficulty of keeping someone in the Past President position. The Committee developed recommendations based on the survey results, despite the fact the response rate was extremely low (around 25%). Draft constitutional revisions were presented to the Executive Board during its meeting on March 17. While the Executive Board generally supports the changes, it feels more members should weigh in before moving ahead.

We are asking every AMCA member to take a few minutes to review the proposed constitutional amendments and to answer a [brief survey](#) on whether you support or oppose them. Your input is greatly valued and appreciated.
